INVITATION

HOBERG & DRIESCH COMPANY FORUM 2010

Dear Customers, Business Partners and Friends,

we are taking the opportunity of this year's "Tube" Trade Fair to invite you to our new Central Warehouse in Düsseldorf-Rath. In this way you will have the chance to visit two informative events in just one trip. Over 30,000 m<sup>2</sup> we will show you our comprehensive range of seamless steel tube products – all from Western European manufacturers. Find out more about our company and its capabilities.

The event will be rounded off by a series of presentations on the topic of high strength hollow sections.

There will also be plenty of time to chat over a snack and a drink.

Please let us know on the reply form which day you would like to visit us.
